2014 NLJ Billing Survey

Source:National Law Journal

Category: National Law Journal

ALM Legal Intelligence, in association with The National Law Journal, reached out to the nation's 350 largest law firms (the "NLJ 350") to provide a range of hourly billing rates for partners and associates. For firms that did not report their rates to ALI directly, in many cases we were able to supplement rate data derived from public records. For 2014, we have rates for 169 of the nation's 350 largest firms.

TVPAD FREQUENTLY ASKED QUESTIONS

The General Questions:

✓ [WHAT IS THE TVPAD?](#)

This is a set-top box using the Android operating system. It allows you to access many movies and TV channels in Asia without paying extra. It is possible to watch channels in China, Japan, Taiwan, Hong Kong and Korea.

✓ [HOW DO I WORK THE TVPAD?](#)

You just need a broadband connection with 3Mbps or faster. Simply connect your device to your modem/router and your TV and you can enjoy all the channels through the apps.

✓ [IS IT LEGAL TO USE THE TVPAD?](#)

YES, it is legal. The device sold from the TVpad store is a platform for users to install the apps of their choice on. The only responsibility of the company is to provide the hardware. The apps, themselves, come from third-party vendors so you can stream and view video content. The TVpad store has no control over the contents in the videos and does not install any of the apps.

EXHIBIT 81

✓ HOW DO TVPADS DIFFER FROM OTHER SET-TOP BOXES AVAILABLE?

Think of the difference between the two types of boxes as the different between regular cell phones and smartphones. TVPads offer more personalization options. You can install the apps tha tyou want, adjust functions easily based on your preferences. These options are not available with most other set-top boxes currently on the market. Read our post about [Why TVpad is so awesome!](#) :-)

The TVPad uses the Android operating system. It uses the most dependable and biggest software for video streaming, including BETV, XunLei, UUSEE, PPS and PPLive. The pictures are high in quality and stable due to the upgraded P2P service it uses. The software can be downloaded onto the computer initially to make sure the area gives good coverage. When it is then downloaded onto the TVPad, the outcome should be the exact same.

The majority of other set-top boxes will link to main sources and usually without permission, which leads to low quality. Since the permission hasn't been granted, this can lead to the service being terminated once the source finds out. You may find that you suddenly can't watch anything. There is also an element of network sharing, which can mean the channels are unwatchable if used overseas. TVPad is revolutionary to the set-top box market.

✓ WHAT IS THE DIFFERENCE BETWEEN TVPAD2 AND TVPAD3 ?

The TVpad3 is the latest generation of the TVpad product series. The main differences is the sleek new design, upgraded firmware to V4.08, Improved Wifi capability and a much more stable signal than the TVpad2. The new VOIP functionality is a very neat feature that allows you to make free international calls worldwide. All the Apps from TVpad2 are supported within the TVpad3 however the games are not supported because TVpad3 is releasing it's own Game Controller which is only compatible with the TVpad3. TVpad3 also has a smoother HD playback and a much better overall user experience.

✓ HOW DO I MAKE VOIP CALLS USING THE TVPAD3 ?

The TVpad3 allows you to make VOIP calls however the TVpad Official VOIP phone will be available soon on our website. Compatability with other VOIP phones is not yet determined and we cannot guarantee that other VOIP phones will be compatible. Please standby for more details on our blog about the VOIP compatability.

✓ WHY DOES THE TVPAD SIMPLE IMPRINT APPEAR ON SOME TVPADS AND NOT ON OTHERS?

Older versions don't have the imprint. Only those manufactured with the 2.70 versions, such as the M121 and M121S, and newer will have it.

✓ HOW CAN I CHECK THE VERSION OF FIRMWARE ON MY TVPAD?

Go into Settings and then System Info.

✓ CAN THE TVPAD PROVIDE ANY PROGRAMS LIVE?

YES! You can watch Live channels using the TVpad. You will need to install apps that will allow you to stream the channels. It is just like downloading Apps from an Iphone :-).

✓ HOW DO I KNOW IF I HAVE THE 1ST GENERATION OR 2ND GENERATION TVPAD?

If your firmware is v.1.xx, you have the 1st generation. If you have v. 2.xx or v.3.xx, you have the 2nd generation models.

✓ CAN I UPGRADE MY TVPAD SYSTEM TO A LATER VERSION?

This isn't possible. For an upgrade, you will need to request a replacement from TVPad. This will usually involve shipping costs and processing fees.

✓ I ONLY HAVE HITV IN MAINLAND CHINA ON MY TVPAD. WHY?

Some of the apps, like BETV, have IP restrictions in certain areas so you may find that you cannot use them.

✓ CAN I USE THE TVPAD IN MAINLAND CHINA?

The majority of recorded and live channels are currently unavailable in China. This is due to restrictions out of TVPad's control so is not recommended for residents in the area. This is a device for those overseas, mainly.

✓ HOW DO I BUY THE TVPAD?

Our Official [TVpad Store](#) offers the ability to buy directly. Find out [why you should buy from us](#) here from our blog post.

✓ **I'VE BOUGHT MY TVPAD DEVICE FROM THE WEBSITE. CAN I TRACK THE STATUS?**

You can if you have a registered account. Log in through the website and you will be able to view your order history.

Those who chose not to register will have a userID automatically assigned—their email address. You can use this and the password to log in and check the status in the same way as above.

✓ **HOW LONG WILL IT TAKE TO RECEIVE MY TVPAD ORDER?**

DHL and UPS have partnered with TVPad for shipping. Most deliveries are made within five business days. This will depend on your location though as remote areas can take longer.

✓ **DOES THE TVPAD HAVE A WARRANTY?**

Yes! You get a Full 1 Year Warranty with the TVpad already included! Super Awesome!. Also check out other [TVpad Warranty Options](#).. We also offer a Money Back Guarantee and 100% Satisfaction.

Hardware Questions:

✓ **WHAT ARE THE DIFFERENCES BETWEEN THE THREE DIFFERENT TVPAD MODELS?**

There are three models of the 2nd generation: M121S, M121 and M120 and the new TVpad3 M358. Currently, only the TVpad3 is being manufactured and the other models are no longer being created.

✓ **WHY ARE THERE TWO DIFFERENT REMOTE CONTROLS FOR THE TVPAD?**

This will depend on the version you buy. Those buying the 2.70 or older will receive the older remotes. The newer versions have a newly designed remote. Those with the newer ones will find that it will operate your TV so there is no need for a secondary TV remote.

✓ **CAN I SWITCH BETWEEN THE NEW AND OLDER REMOTE?**

Yes. They have the same control code so can be used on all TVPad versions.

✓ **I HAVE THE NEW REMOTE. HOW DO I SET IT UP TO CONTROL THE TV?**

Please check the remote setup section for this process.

✓ CAN I USE AV OUTPUT ON THE TVPAD?

Av and HDMI outputs are available on the newer models (MS121S and MS121).

✓ WHY DOESN'T MY TVPAD RECOGNIZE MY USB MEMORY STICK? CAN I SOLVE THIS ISSUE?

You will usually need to restart the device so the TF card and flash drives appear. If you still get the problem, try inserting the USB stick again. If there is still a problem, it could be your drive. Try a different flash drive or microSD card.

✓ WHAT FORMATS FOR THE USB DRIVE AND MICROSD (TF) CARD ARE SUPPORTED?

EXT3, NTFS and Fat2 formats can all be read. The TVPad works best with the EXT3.

✓ WHAT FILES SYSTEM FORMAT IS SUPPORTED WHEN USING THE USB DRIVE OR FT CARD UNDER SETTINGS AND FORMAT?

Linux EXT3.

✓ HOW CAN I USE THE CARD ON A WINDOWS PC AFTER THE TVPAD CHANGES THE FORMAT TO EXT3?

Visit our Downloading Zone for the file Ext2Fsd-0.51.exe. Install this onto your Windows PC (for 2K to Windows 7 operating systems only) and you will then be able to view the files in the EXT3 format. You can also check out the Ext2Fsd Project official website for more information on the software.

✓ I'VE REINSTALLED SOME APPS ON MY TVPAD AND NOW CAN'T CONTROL THE VOLUME. WHAT SHOULD I DO?

Go into Settings and click the Reset button. This will put all settings back to their defaults and should fix the issue.

✓ ARE EXTERNAL HARD DRIVES ALSO SUPPORTED FOR THE TVPAD?

Yes but you will also need an external additional power supply.

Network Questions:

✓ HOW MUCH INTERNET USAGE WILL THE TVPAD USE PER HOUR?

When used for between four and six hours a day, around 20GB is used each month. This is about 150MB each hour but that is a rough estimation and it depends on your usage.

✓ WHAT IS THE TVPAD'S NETWORK REQUIREMENT?

Most of the apps require streaming, whether it is video or audio, and is it based on streaming and sharing the data online. At least 2MB bandwidth is needed to ensure the best quality and uninterrupted viewing.

✓ IS WIFI SUPPORTED BY TVPAD?

There are three options for connecting WiFi to the TVPad:

Using a dongle (network adapter) through the USB port
Use a wireless network bridge
Connect through the router with a power line network adapter

✓ WHAT IS THE RECOMMENDED WAY FOR CONNECTING THE TVPAD DEVICE TO THE INTERNET?

A wired connection is the best way. When you can't do this, an ethernet adaptor is the next recommended option. Wireless is a last resort as it can prove to be unstable.

✓ WHICH ETHERNET ADAPTERS SHOULD I USE?

Any brand is okay. There are three speeds available and you should opt for the 200Mbps or 500Mbps for the device.

✓ IS THERE A CERTAIN DONGLE SUPPORTED BY THE DEVICE?

This depends on the firmware for the TVpad. V2.24 will only support the Ralink RT3070.

The D-Link DWA-125 is recommended but be aware that not all DWA-125 revisions work. The TVpad supports the A1 and A2 but not A3. You can purchase these dongles directly from the TVpad official website if you cannot find them in your area.

The RTL8192SU is supported by any version after the v2.42 and the Net Core version is highly

Questions About the Apps:

✓ IS ANY MANUAL INSTALLATION OF ANY APPS REQUIRED WHEN FIRST OUT THE BOX? WHERE ARE THE APPS DOWNLOADED FROM?

You will need to manually install all apps. They are available from the TF card when buying the M121 version. You can visit the App Garden for the M121S. The official TVpad forum also gives details of other great apps and where to download them from.

✓ I WANT TO WATCH MOVIE VALLEY ON MY TVPAD. WHERE DO THEY COME FROM?

The sources from Movie Valley are from PPS.

✓ I HAVE THE M121S VERSION THREE. WHY DOESN'T IT HAVE THE COMPREHENSIVE THEATRE, MUTLIPLEX, APP? DO I NEED TO MANUALLY INSTALL IT?

Unfortunately, the license for the comprehensive theatre, Multiplex, is no longer valid. Movies can only be watched through Movie Valley. This comprehensive theatre doesn't look likely in the future either and when installed you still won't gain access.

✓ IS THE TF CARD NEEDED TO WATCH LIVE TV FROM 516, BETV AND OTHER PLACES?

No. The only time the TF card is needed for buffering is when watching from Movie Valley. No live TV needs the TF card.

✓ CAN I BOOKMARK MY FAVORITE MOVIE VALLEY CHANNELS ON TVPAD?

Yes. You can use the Favorite button on your remote when on the channel you want to bookmark.

✓ I CAN'T SAVE MY FAVORITE CHANNELS FROM THE COMPREHENSIVE THEATRE AND MOVIE VALLEY. WHAT ARE MY OPTIONS?

Try resetting the device so all settings are returned to default. This should fix the issue.

✓ CAN I REMOVE PROGRAMS AND CHANNELS FROM MY FAVORITE LIST?

Select the program or channel you want to remove and then click on the Menu button on the remote. You will then see a pop-up on the screen so you can remove it. Confirm the choice by clicking Okay and it will be removed from your list.

✓ HOW DOES THE TVPAD DIFFER FROM OTHER TV BOXES THAT ARE AVAILABLE?

The fees and charges differ. At the moment, most of the similar products have monthly subscription fees. You could find that your 12 month bill is more than the cost for the TVpad outright.

The service and contents also differs. While you can watch through satellite receivers, the quality and reception is dependent on the weather. This is also costly and bulky. Many find that the installation for the boxes just takes up far too much room.

There is also a limit to the channels that you will get with the other boxes as there is no compatibility for expanding. TVpads use applications from third-party developers, meaning much more is available. There are currently over 10 language apps available, including Japanese, Korean and Cantonese/Mandarin Chinese. There are also over 100 channels (live) and 10,000 VODs available.

There is also more authority and stability with the TVpad since many high-profile suppliers decided to join.

There is the ability to enjoy HD channels, play motion games, free VoIP, home KTV and much more. This one device gives you so much to do from your sofa.

✓ HOW DO I GUARANTEE THE TVPAD WILL BE STABLE AFTER BUYING?

The device runs on the Smart operating system with the open application platform (OAP). This allows for third-party developers to create apps that are free to download. You will find something for all your needs through the different apps available. There are also a number of highly reliable and profiled suppliers, including BETV and PPS. So far over 10,000 users are happy with the reliability and stability from the device.

✓ ARE THERE ANY SPECIFICATIONS BY LAW THAT THE TVPAD FITS?

The aim is for all app to be free to download through the third-party developers and open application

platform. There is also the ability to install the apps directly onto Apple devices, despite the contents being from different developers.

✓ WHAT'S THE DIFFERENCE BETWEEN THE MS121S AND M223 (TVPAD2)?

The TVpad2 offers upgraded hardware and software compared to the MS121S. These include an updated processor, improved speed at startup, improved app start speed and operation speed and more sensitivity for the 3D motion games. The TVpad2 also has a built-in WiFi so there is no need for any external adapters.

Apps have also been further developed. There are more apps from PPS, BETV and other suppliers to improve your viewing experience.

✓ WHAT ARE THE TVPAD NETWORK REQUIREMENTS?

The TVpad does require the internet. If you want a smooth experience, those with a 2M network speed or more is beneficial. It is best to download anything you choose to use onto your computer so you can test the network's capability. This is generally a good way to determine if it is compatible. Between 1G and 2G is used each hour so select your packages according to your needs.

✓ WILL THE TVPAD SUPPORT A CONNECTION THROUGH WIFI?

Connections through WiFi and cable are supported. According to customer data and feedback, the cable connections are better for smoothness and stability. We recommend cable or power line adapters for a great experience.

✓ ARE OLD TELEVISION TYPES SUPPORTED?

There are AV and HDMI ports available so old and new TVs are supported. It supports all user needs.

✓ HOW MUCH POWER DOES THE TVPAD NEED AND WILL IT WORK ABROAD?

Staff will also provide a conversion plug when placing an order at our website so you don't need to worry about this.

✓ WHICH BRANDS OF TVS DOES THE TVPAD WORK WITH?

Due to a transfer agreement, the following brands and models will not work with the TVpad:

Sharp LC-65D64U and LC-52D64U

Samsung UA55B6000

Sony 32EX400

We have not been able to test all brands and models due to so many available. There may be others that will not work with the TVpad. This is not a quality issue.

✓ HOW DO ALL THE MODELS DIFFER?

The 4th generation, M233 TVpad2 has a faster GPU and CPU processor. There is more memory and it supports VoIP and gaming. It also has a dual output for audio and video through AV and HDMI connections.

The 3rd generation M121S has an added chipset to the M121. It uses the firmward 3.0 but has no other performance increase compared to the M121.

The 2nd generation M121 has a USB connection and TF card slot, along with AV and HDMI connections. Most of these will have the TVpad logo and uses the 2.6 to 2.72 firmware, although can be upgraded to the 3.0.

The 1st generation M120 uses the 2.4 to 2.72 firmware. It doesn't include the TVpad logo on the unit or have a AV or TF card slot.

✓ IS IT POSSIBLE TO RECORD THE PROGRAMS THROUGH TVPAD?

There is no currently option for recording programs through TVpad but this doesn't mean there never will be. There are many fans and an app may be one day created to allow recording of shows through the device.

✓ WHICH COUNTRIES ARE THE TVPAD COMPATIBLE IN?

The device will work in all countries. Some apps won't work in Hong Kong and China.

✓ IS IT POSSIBLE TO WATCH MULTIPLE PROGRAMS AT THE SAME TIME?

It is only possible to watch one program from your TV. There are ways to watch more than one but the TVPad Store doesn't support them.

✓ WHAT HAPPENS IF I DON'T HAVE HDMI ON MY TV?

It is possible to watch through AV connections on the M121 and M121S model. It is only possible to get a resolution up to 480p with AV while HDMI allows up to 1080p.

✓ WHAT SUPPORT DO I GET WITH THE DEVICE?

Our FAQ Section, Our Blog Posts and Froum can answer alot of your common questions. It is also possible to contact us and we will be glad to help.

✓ I CAN'T SEE A PICTURE ON THE TV. WHAT DO I DO?

Make sure your HDMI cable is plugged in firmly and then set the TV to the right channel for the setting. When using AVI mode then transfer it across from the HDMI first of all.

✓ MY USB WON'T ALLOW ME TO CONNECT TO THE WIFI. WHAT DO I DO?

Here are the main steps for your wireless setting:

1. Place the USB WiFi into the device
2. Go into the wireless setting
3. Select the wireless connection for your home
4. Enter any passwords
5. Click OK

You will see the icon for the wireless in the bottom right corner turn green when set up correctly.

Troubleshooting:

1. Make sure the signal is no less than 50% strong
2. Make sure no other electrical appliances are near the Tvpad
3. It is possible to use WPA, WPA2 and WEP settings. Some are better than others so try a few to find the best for you
4. heck the password is inputted correctly. Remember that this is case sensitive
5. Turn on the router's DHCP connection
6. Turn the MAC filter off
7. Turn the password authorization on the router
8. Check the bottom right corner for the USB icon
9. Keep the password simple to remember it

If there is still an issue with the wireless connection, contact our support center.

✓ HOW DO I INSTALL THE SPECIAL APPS?

When you receive the shipping package, you will have all the instructions needed to install all the apps you want. There is no U-disk required for the installation process.

Prepare yourself and your family for a whole new way to stream your favorite entertainment directly to your TV, with the new [TVpad4](#). The revolutionary set-top box brings you even more of the content you love, now in full 1080p high definition. With upgrades in functionality, speed, and performance, the TVpad4 solidifies TVpad as the world's premier provider of streaming devices.

NEW FEATURES ON THE TVPAD 4

TVpad 4 is using the revolutionary H.265 streaming technology. Apple's new iPhone 6 uses H.265 technology for FaceTime video calls, creating video that is true to life. TVpad uses this technology to ensure the ability to stream in HD using as little data possible - [62% less data at 1080p](#)! You won't need lightning fast internet to stream live-TV in HD!

HD isn't the only new feature. The TVpad 4 will feature access to the Google Play Store, meaning access to millions of apps, games, and streaming video services – Netflix, HBO Go, YouTube, and more!

Not wanting to pay for streaming television? TVpad4 still streams live news, sports, and television programming from stations like SoLive, CCTV and many, many more. On TVpad 4 you'll be able to watch live Chinese (Mandarin and Cantonese) television. Popular shows like [The Voice: China](#), Red Sorghum, and [Where are We Going, Dad](#) are all available streaming live in HD. And, with the new H.265 streaming technology, you can be sure to see them in crystal clear HD.

To improve user experience, designers of the TVpad 4 tested more than ten different versions of the user interface for over 30,000 hours. Streaming TV has never been easier! With the new experience comes enhanced security. We've created stricter guidelines for 3rd party apps, making 3rd party app installation safer for users. The new security and user experience create a more stable user environment, meaning you won't miss a second of your favorite TV show.

There are more than 30,000 episodes of Chinese television dramas produced every year in China, which gives audiences a large range of viewing options. Now the television dramas are beginning to gain an overseas following, and include shows that were originally broadcast years ago. With a set on top TV box, it is now even easier for Asians and other foreign audiences to watch all of the popular Chinese dramas.

WATCH POPULAR CHINESE TELEVISION DRAMAS WITH TVPAD

TVpad is a set on top box that gives users hundreds of viewing options. Streaming live channels directly from the Chinese mainland, foreign audiences can watch episodes of all of the most popular Chinese dramas. There are more than 100 channels to choose from, including some that are dedicated to playing only the best Chinese TV dramas.

Not only does TVpad feature more channels than other set on top boxes, but it also includes the "on demand" feature. Users now can play back any of their favorite dramas and TV shows up to three days, and never have to worry about missing a single nail biting moment. TVpad also features one of the largest online video libraries, which includes apps just for Chinese dramas.

TVpad gives viewers so many programming options that it can be difficult to choose which ones to keep up with. Here is a list of the 10 most popular overseas Chinese dramas that can all be watched with a TVpad.

10 MOST POPULAR OVERSEAS CHINESE DRAMAS

It is easy to watch Chinese dramas with TVpad, and these are only a small example of the great television programming foreign audiences can watch with this set on top box.

THE SCARLET HEART (2011)

Popular in foreign countries such as the United States and Japan, this Chinese drama follows the adventures of a young woman who is transported back in time to the ancient Qing Dynasty. Viewers can follow her as she experiences life in the Imperial Palace and wonder if she will ever return to her own time. This television drama is based on the book of the same name.

PRINCESS PEARL (1998)

An older drama, it has gained an adoring following among Chinese, Asian, and American viewers. It is classified as a "costume drama" and is set during the visually stunning 18th century. With a Cinderella style theme and magnificent cast, it is easy to see what it is still a popular favorite among television viewers.

METEOR GARDEN (2002)

This Chinese drama is actually based on a Japanese manga series, and has become widely popular in Asian communities around the world. Now gaining more attention from Western audiences, it tells a story that almost everyone is familiar with. See how a poor young girl tries to fit in with her wealthy classmates, and the love/hate relationship that develops throughout the series.

KANGXI DYNASTY (2001)

This is a historical drama that takes place during the Qing Dynasty and follows the life of the Kangxi Emperor. It's blend of history and action has made it popular with many Western viewers.

ROMANCE OF THE THREE KINGDOMS (1994)

Sometimes the older Chinese dramas are the best, and this is a favorite among both Chinese and foreign television viewers. It is based on the novel of the same name, and features one of the largest television casts ever assembled for a dramatic series. Rebroadcast in Japan and around the world, TVpad owners can now watch it whenever they want.

NEW LEGEND OF MADAME WHITE SNAKE (1992)

Follow the love story of a kind hearted young man and his lover the demon snake goddess. See how she becomes a beautiful young woman, and delight in the traditional Chinese songs and music.

JOURNEY TO THE WEST (1986)

There is no denying that this timeless classic remains popular with Chinese and foreign viewing audiences. It is one of the rare dramatic series that can remind television viewers of their own childhoods and memories of home. Based on one of the four great Chinese novel of literature, it was also used in Vietnam to keep children home during summer vacations.

LEGEND OF THE CONDOR HEROES (1983)

This is one of the television dramas that is continually being remade, but the original will always be the best. With a TVpad, not only will viewers be able to stream the original cast, but also the ones that have come afterwards. Compare favorite characters and the different actors who portray them, and remember everything that is great about Chinese dramatic series. All of the remakes are also based on the book by the same name.

One of the older Chinese drama shows, it has maintained its popularity and strong following with audiences around the world. Not only does it star famous Chinese actor Chow Yun-fat, but it also follows the turbulent lives of the members of Shanghai's various gangs during the days of the Republic of China. While it can be seen as a dark dramatic series, there is no denying its appeal to both domestic and foreign audiences.

THE LEGEND OF ZHEN HUAN (2011)

This Chinese dramatic series surprised critics with its initial success. Based on an internet novel, and no one expected it to gain the popularity that it has. The series follows the life of a young concubine in the Imperial Palace during the Qing Dynasty, and all of the perils, plots, and intrigues that were a daily part of court life. Watch a she quickly learns to survive in this dangerous environment, and cheer as she finally defeats her enemies.

With TVPad it is easy to watch all of these Chinese dramas and so many more. There are over one hundred television channels to choose from, with some dedicated to playing only Chinese dramas. It is not only Asians living abroad that are addicted to these great television shows but foreign audiences as well. With ten different language apps also available, it is easy for anyone to watch their favorite Chinese television dramas with a TVPad.

WHICH TVPAD APP IS RIGHT FOR YOU?

☐ By TVpad Team

☐ June 19, 2014

☐ [Go to comments](#)
☐ [Leave a comment](#)

There are over 90 different apps to choose and download in the TVpad app store, including applications in Chinese, Korean, and Japanese. They are easy to download and can be removed in seconds. TVpad users can pick from apps for games, television channels, music, books, and movies. Watch live television shows streamed directly from the cloud, or choose one of the live streaming apps that are delayed by 12 hours.

With all of the different apps to choose from, and more constantly being added, it can be almost impossible to choose a TVpad app that is right for you. Everyone will always have their own personal favorites and viewing tastes can change, but there are some apps that will always be popular among most TVpad owners. Perhaps one of these will be the one to keep you happily entertained for hours.

ONE APP FOR ALL SPORTING EVENTS

Broadcast live from the Chinese mainland is the Chinese Central Television or CCTV 5. Found in the TVpad app store as BETV/Online sports, this app can satisfy every sports lover. Follow the Chinese national men's and women's soccer teams throughout their seasons, and watch in wonder as China enters onto the international basketball court.

EXHIBIT 86

See documentaries on favorite sports players, and learn how different sporting rules originated. During the off seasons viewers can still keep up with their favorite players. Watch one on one interviews, keep up with practice statistics and new team players all to stay ready for the start of the next playing season.

Watch beach volleyball in China, or follow the Korean Big Red soccer team, Sumo wrestling, and even a marathon tug of rope challenge are all broadcast on this great app for sport lovers.

ALL YOUR FAVORITE MOVIES

It is easy to watch movies with TVpad. All of the movies viewers want can be easily found and streamed with the Movie Valley app. Streaming live in Cantonese, you can choose from a gigantic collection of movies and musical all stored in the cloud. Find favorites from childhood, or watch the latest blockbusters from the Chinese mainland.

Choose from comedies, romances, cartoons, and even horror movies. Bookmark the ones that you want to watch later and save favorites for easy repeat viewings. Watch an old black and white or an animated classic, all with the movie app from TVpad. On a side note for new TVpad owners, this is also the only app completely dedicated to playing movies.

MUSIC AND KARAOKE

Karaoke is popular around the world, and TVpad has an app that will make anyone feel like singing. The popular app is listed under KTV in the TVpad store and is easy to download. For anyone having difficulty finding this entertaining app, it can be accessed through the applications manager tab.

Choose from thousands of songs by Chinese, Japanese, Indian, Western, and others. Users can create a playlist and organize it by genre. Set the search parameters and let the app find great music for you to listen to, or find a song by title or artist.

When you are using the karaoke app you have the option of singing along with the original recording artist, or going solo. If you want to add the singer's voice, simply press the "menu" key located on the TVpad remote. Restart the same music over and over until it is memorized with the "options" setting, or choose from one of the other menu options.

The app is easy to download and install, simply attach the AV cable from the TVpad to the karaoke system. Sing alone or invite some friends and family members to join in, and see who can sound the closest to their favorite recording artists.

APPS FOR GAMES

There are several different apps for video games that will entertain any gamer. While it is up to the player to choose the game that really excites them, popular apps include racing and even motion sensing ping pong. Bounce around the room as you control the direction of the ball, or take a chance with a game of golf.

TVpad users can choose between 2D and 3D games, along with using a motion sensing remote controller. There are games suitable for players of all ages, including interactive learning games for preschoolers and toddlers. One of the most popular game apps is for the classic brain teaser Sudoku where math skills and logic are put to the test. Fishing enthusiasts will also find a game app just for them, where they can practice their skills with a fishing pole and see who can reel in the biggest catch.

DRAMAS, DOCUMENTARIES, AND MORE

There are over 100 different Asian channels and apps to choose from, but lovers of television shows will certainly want to install the HITV app. Viewers can watch hundreds of live shows from Hong Kong, including all of their favorite dramas. Catch up with recent storylines and favorite characters, and playback missed episodes anytime.

With live TV from Hong Kong, Asian viewers living abroad can also stay up to date on all of the latest news and events on the Chinese mainland. See news reports from different provinces, and travel documentaries too unique and interesting places. See reports on finances and current affairs, and stay in touch with world events. With all of the different Asian television programming available with this app, there will always be something fun and entertaining to watch on TV.

SO MANY APPS TO CHOOSE FROM

With all of the apps TVpad has to offer, it can be difficult to choose the perfect apps for you. Thankfully no one has to choose only one, and the apps can be uninstalled quickly and easily to make room for more. The TVpad apps download in seconds, and give users instant access to all of their favorite games and shows. Watch great Asian television programs with friends and family, and keep yourself entertained for hours with apps for every type of television viewer.

ZHOU XUN CROWNED CHINA'S FAVORITE CELEBRITY

By [TVpad Team](#)

2014年12月8日

[Go to comments](#) [Leave a comment](#)

It is official; the people's favorite in China is [Zhou Xun](#). In an international fan base survey to crown China's "most favorite star," the beautiful actress was the overwhelming favorite. The [Huading Awards](#) survey results were compiled from data gathered nationwide, and showed some surprises in the finalized list of the nation's favorite celebrities.

With 96.83 points in her favor, Chinese actress and singer Zhou Xun tops the list of China's favorite stars by a large margin. Most recently appearing in "Red Sorghum," she has also gained international fame for her roles in the *Legend of the Condor* and *2 Cloud Atlas*. The beautiful actress recently married actor Archie Kao who was a regular on the [popular American television series "CSI."](#) The newlywed couple has since been named the face of the 2015 Chinese New Year's campaign from H&M.

EXHIBIT 87

CHINA'S MOVIE FANS EXPRESS DISAPPROVAL

While Chinese moviegoers overwhelmingly showed their approval for Zhou Xun, they also expressed their disapproval for the actions of some celebrities. The Huading Awards survey included questions that dealt with a celebrity's professionalism, social influence, and commercial value. Several famous names had problems when the questions were on the topic of morality. If the recent popularity rating is any indication of how Chinese fans view their celebrities, some famous names might be in trouble.

At the bottom of the list was Taiwanese actor Kai Ko who is still trying to recover his image after being arrested for illegal substance use in Beijing earlier this year. Other celebrities at the bottom of the popularity list include veteran actor Zhang Guoli's son, Zhang Mo, who also had problems recently with drug possession. What was slightly surprising to some moviegoers was the son of Jackie Chan, Jaycee Chan, appearing in the bottom top ten. It seems that not even being the son of a [beloved Chinese film star](#) is enough to keep the public from showing their disapproval when drugs are involved.

CHINA'S OTHER FAVORITE CELEBRITIES

Along with Zhou Xun, the Chinese showed their love and support for several other celebrities that include renowned directors, musicians, and of course the multit talented Nicholas Tse. Starting as an artist in Hong Kong, Nicholas Tse went on to gain fame as a singer and now, as a businessman. For many fans, he is the embodiment of a truly talented and modern Chinese man.

The list of Chinese celebrities also included singer Eason Chan, who is only slightly less popular than Zhou Chan. The proclaimed "king of pop" is also a record producer and successful entrepreneur. He is best known for popularizing a style of music known as [Cantopop](#), along with the genre referred to as [Mandopop](#). Winner of the Golden Melody Awards' "Best Male Singer" award in 2003, his albums have also been listed in Time magazine's "Five Asian Albums Worth Buying".

Also included in the top ten most popular Chinese celebrities is actor Chen Daoming. For more than twenty years, fans have been watching the veteran actor in both television and film roles, eagerly awaiting his next project. He gained international stardom for his role as King of Qin on television, and for his role in the film "Hero" released in 2002. His varied roles span generations and film genres, which is one of the reasons he has remained a favorite celebrity of the Chinese people.

[WATCH ALL THE POPULAR CHINESE CELEBRITIES](#)

Chinese living abroad can still watch all of their favorite movies and celebrities with an easy to use smart media box. With the ability to stream thousands of movies, interviews, and awards shows directly from the cloud, TVpad owners can watch all of their favorite

Asian celebrities. The music apps make it possible to listen to all of Eason Chan's albums, and Chinese living abroad can even catch one of his live televised concerts.

Watch the early television shows and movies from all of the popular stars, and with [complete access to CCTV](#), owners of a smart streaming media box can also catch all of the interviews and late breaking news. With the ability to stay connected to the Chinese mainland, Asians living overseas will always know the latest gossip surrounding all of their favorite celebrities. See who has been arrested, and which stars are behaving badly. TVpad owners can even have fun guessing who will be crowned China's favorite celebrity next year.

Hello Shuk,

I hope you're having a good day. I was given your name and email address from Amit (one of our account managers) and mentioned that you were needing some information. My name is Charles and it's a pleasure to help you.

Attached is the Channel Guide which you can review.

Here are some overall benefits of the TVpad:

- Live Chinese, Korean and Japanese Channels
- More Channels Compared to other services.
- Timeshift Live TV playback
- Video On Demand of TV Shows, Dramas and Sports.
- No Monthly Fees
- Educational Learning for Kids
- and much more....

Some benefits of shopping with us:

- Free and Fast Shipping Worldwide
- Full 1 Year Warranty Support (If we can't fix it, we replace it)
- 7 Day Return Period (100% Satisfaction)
- Lifetime Customer Support

Please let me know if you have any questions as I'm here to serve you.

Regards,
Charles Franco

Ask me about our new **Reseller Program** and how you can partner with us :-)
